

# AIDEN SMITH

## HIGH SCHOOL STUDENT

I am a current full time highschool student who is currently enrolled in my High school automotive program where I am in my second year in the program. I am a dedicated hardworking student who wants to expand his knowledge and is a dedicated worker.

---

### SKILLS

- Proficient in performing basic automotive repairs
- Collaborate effectively with classmates and instructors in the Automotive Technology program.
- Good Time Management
- Eagerness to Learn

---

### EDUCATION

#### IT PIPELINE PROGRAM

Computer Science 135

University of Las Vegas | 2023 - 2024

#### HIGH SCHOOL STUDENT

Automotive Technology

Shadow Ridge High school | 2022 - 2024

---

### EXPERIENCE

#### SKILLS USA

4th Place State Finalist

I recently was given the chance to compete in a state competition hosted by Skills USA for an Automotive service technician. This competition consisted of being able to use a scan-tool, precision tools, vehicle inspection, brake inspection, electrical work, alignment, and AC components.

#### SOME RELATIVE COURSEWORK

Automotive Technology

In automotive I have successfully completed multiple job packets with topics including Tires, Precision measuring tools, and suspension component. I have also worked on multiple cars with jobs like brakes, suspension, and basic maintenance.
